RANKINGS:

Coaches are responsible for providing accurate rankings based on merit.

1.1. Individual Ranking Adjustment: In doubles and mixed matches, either one of the pairs may move down one rank, allowing for flexibility in team composition. For example, Rank 2 can move to play as Doubles 2 or Mixed 2, while maintaining Rank 1 as the consistent player in their respective position.

1.2. Rank 1 Consistency: It is mandatory that Rank 1 always plays as Rank 1 in both singles and doubles matches, preserving the integrity of player rankings.

1.3. Recognizing that schools may carry more than 12 players, students who do not participate in singles or doubles matches have the flexibility to be included in mixed matches. The order of their inclusion should adhere to the overall order of merit.

Boys single ranked 1 & Girls single ranked 1 must play as Mixed Pair 1 and Boys/Girls Doubles 1

Boys single ranked 2 & Girls single ranked 2 must play as Mixed Pair 2 and Boys/Girls Doubles 1

Boys pair 2 & Girls pair 2 must play as Mixed Pair 3 & 4
