LAW 9: THE BALL IN AND OUT OF PLAY

Ball out of play

The ball is out of play when:

- it has wholly crossed the goal line or touch line whether on the ground or in the air
- play has been stopped by the referees
- it hits the ceiling

Ball in play

The ball is in play at all other times, including when:

- it rebounds off a goalpost or crossbar and remains on the pitch
- it rebounds off the referees when they are on the pitch

Indoor pitch

The minimum height of ceilings is 4 m and is stipulated in the competition rules. If the ball hits the ceiling while in play, the game is restarted with a kick-in taken by the opponents of the team that last touched the ball. The kick-in is taken from the point on the touch line nearest to the place on the ground above which the ball hit the ceiling (see Law 15 – Position of kick-in).

LAW 10: THE METHOD OF SCORING

Goal scored

A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, provided that no infringement of the Futsal Laws of the Game has been committed previously by the team scoring the goal.

A goal is disallowed if the goalkeeper of the attacking team throws or hits the ball intentionally with his or her hand or arm from inside his or her own penalty area and is the last player to touch or play the ball. The match is restarted with a goal clearance to the opposing team.

If, after a goal is scored, the referees realise, before play restarts, that the team that scored the goal is playing with an extra player or has carried out a substitution incorrectly, they must disallow the goal and restart play with an indirect free kick to be taken by the opponents of the offending player from any point inside the penalty area. If the kick-off has already been taken, they take the measures against the offending player provided for in Law 3, but the goal is allowed. The referees report the fact to the appropriate authorities. If the goal was scored by the other team, they must allow it.

Winning team

The team scoring the greater number of goals during a match is the winner. If both teams score an equal number of goals, or if no goals are scored, the match is drawn.

LAW 11: OFFSIDE
