

2024 ACS Volleyball Rules

Last updated December 2023

Mercy Rule: This applies for Year 7 & Intermediate competitions only.

A player cannot serve more than 5 times in a row. If that happens, the team who is serving rotates position but maintains the serve.

See **6. Scoring** below for the number of sets to be played in each division.

Umpires: 1st & 2nd Senior competitions will have an external accredited umpire appointed by the home team.

1. All games will be played under the rules of the Volleyball Australia unless otherwise stated hereunder or in ACS Competition Rules.
 - 1.1. The 'A' game is to be umpired by the home coach unless it is otherwise agreed by both coaches.
 - 1.2. For the Grand Final, if the court allows it must be full size

For **SENIORS** only; ACS will use the **Libero Rule**. Please refer to the end of the Volleyball rules for information regarding the Libero. These are taken from the FIVB Rules.

2. Team:

- 2.1. Consists of an 'A' and 'B' team or a 1st, 2nd, 3rd & 4th and so on for seniors. Each team consists of a maximum of twelve team members.
- 2.2. Each team will compete as a separate team. No interchange between teams once matches have commenced.
- 2.3. Home team to provide the balls
- 2.4. Each team is limited to 1 time out per set
- 2.5. **With Flexible fixturing: For Girls Years 7 A & Intermediate A & B teams:** will play a full match best of 5 sets. Year 7 'B' and 'C' teams will share time on the second court and play 45 minute matches with the best of 3 sets. See 6. Scoring below for details. If a school has 2 teams only then two best of 5 matches are played. If a team has 3 courts available and it is by mutual agreement to use 3 courts, then matches are played to best of 5 sets. **In Finals:** matches limited to 45 minutes in the home and away season are played as the best of 5 sets

3. Net Height: (Updated to Volleyball Victoria recommended net height standards in December 2018)

- | | |
|----------------------|-------|
| ▪ Senior Boys | 2.43m |
| ▪ Intermediate Boys | 2.24m |
| ▪ 7 Boys | 2.24m |
| ▪ Senior Girls | 2.24m |
| ▪ Intermediate Girls | 2.15m |
| ▪ 7 Girls | 2.10m |

Both the top and bottom of the net must be taut.

4. Serve:

- 4.1. The ball must not be served until the referee has blown the whistle. As play does not begin until the whistle is blown, no penalty can be awarded. A replay is called and the ball is returned to the server.
- 4.2. The ball must leave the resting hand before being served. (Not a handpass as in football).
- 4.3. Players may serve from anywhere along the baseline. Server has eight seconds to serve the ball after the referee's whistle.
- 4.4. The ball may touch the net on a serve. This is acceptable with 'play on' called.
- 4.5. The player's foot must not make contact with any part of the service line. Penalty: Loss of serve.

5. Rotation and Substitution:

On every occasion when the receiving team gains the right to serve, the players rotate one position clock-wise.

5.1 Year 7, Intermediate modified rotation rule applies: A team with greater than 6 players may choose certain players not to participate in that set. If they have 7, they may choose to play 6 only. If they have 9, they can choose 6, 7, 8 or 9 players. This does not give the right to substitute like in Senior Volleyball though. The team must complete the whole set with the players selected at the beginning of the set which must be made clear to the umpire and opposition coach.

- * It is advised that the non-selected players wear a contrasting bib or sit off the playing area so the umpire can clearly see who is and who is not participating in the set.

5.2 Senior 1st - 4th Substitutions:

A starting player may re-enter the court three times but only for the player he/she is replaced with. The substitute player may take any position on the court.

6. **Scoring:**

- Senior boys competitions 1st, 2nd, 3rd, 4th and senior girls; 1st, 2nd and 3rds will play best of 5 sets

Matches played to the best of 3 sets:

For Years Girls 7 B & C and Intermediate Girls & Boys C and D teams: will play the best of 3 sets (a match is won by the team that wins two sets) but games are limited to 45 minutes; the score after 45 minutes determines the result. In the case of a 1-1 tie, the deciding 3rd set is played to 15 points with a minimum lead of 2 points. If sets are tied after 45 minutes, it is deemed a draw. **In Finals:** all matches are played as the best of 5 sets as per scoring under Rule 6. Above.

Protocols for Volleyball Coaches and Referees

Requirements for the Sports Coaches and Referees (In addition to ACS Competition Rules issued by ACS).

On arrival at venue, the coaches from each team are to introduce themselves. At this point discussion is to take place to determine:

- Which court will host the 'A' match and which will host the 'B' match.
- Any local court requirements.
 - If the ball makes contact with any object protruding over the playing area (i.e. low hanging ropes, basketball rings, scaffolding etc), a replay is to be called.
 - The boundary markings of the court. (Some courts require the service line to be brought into court due to the distance to the back walls).

Prior to the commencement of each match, the referee should explain to both teams the ruling that he/she will use. Explain local requirements to players.

Call on each captain and ensure that they shake hands. The home team captain is to toss the coin while the away team captain calls. The winner of the toss chooses: Either the right to serve or receive the service OR which end they start on. The loser takes the remaining choice. If a fifth or deciding set is to be played, a new toss will be carried out to determine which team serves and at which end the teams will start.

The starting six players from both teams should then move to line up on the service line at the back of the court until called into court by the referee.

At the completion of the match, all players are to shake hands with the opposition and thank them for the match.
